

KINDER FIT PROGRAM

Franchise in the children's fitness industry now available!

Our Goal

Kinder Fit is a program committed to early childhood physical development that incorporates the foundational components of an active and healthy lifestyle. Our program not only motivates children to become more physically active, but brings awareness through movement, learning, and play!

Our goal is to extend the Kinder Fit program to as many children as possible and instill in them the joy and fulfillment of living a fitness oriented life.

The Kinder Fit Approach

Kinder Fit classes consist of 30 minutes of motor skills, tumbling, creative movement, fitness and/or sports attainment depending on the lesson plan, equipment, and activities utilized for the week.

Our trained instructors transport a variety of thematic lesson plans and equipment that focus on allowing children to develop motor skills, cognitive skills, social skills, and physical development to child care centers, preschools, Mother's Day Out programs, and other facilities. Our program's mobility and on-site focus allows classes to be convenient, safe, and fun for everyone!

Benefits of Owning a Kinder Fit Franchise

- Work in a fun, energetic, and fulfilling industry
- Make your own hours and be your own boss
- Maintain minimal overhead
- Have an impact on the lives of children
- Have a rewarding business promoting fitness

Who Makes a Good Franchise Candidate?

KINDER FIT PROGRAM

Franchise in the children's fitness industry now available!

As a mother of four, this business has allowed me to be at all of my children's important activities while meeting my teaching obligations. It is so fulfilling to know that I am giving children a positive and exciting introduction to exercise and fitness that they will carry into adulthood. After 15 years, I can honestly say that I still love my job, get excited each day teaching, and have every intention on continuing for another 15 years.

- Joyce Holder, Kinder Fit Licensee

My daughter Sarah loves Kinder Fit! I am thankful to have a program at her school that has helped her not only with her coordination and motor skills, but her confidence and self-esteem as well.

- Jamie Richardson, Parent

I love seeing the looks of surprise and pride on the children's faces when they see what they can achieve in the Kinder Fit program while having fun!

- Susan Bollinger, Kinder Fit Instructor

Kinder Fit is a great motor skills, tumbling, and fitness program that the children look forward to every week. The parents love this wonderful extra enrichment program and I rate it with all stars.

- Quenetta Cox, Center Director

Become a Kinder Fit Franchisee!
